The Honorable Alexander Trowbridge  
Secretary of Commerce  
United States Department of Commerce  
Washington, D.C.

Dear Mr. Secretary:

Will you forward us any information you might have on the types of businesses that are, (within the next two years) expected to move into the following Mississippi counties: De Soto, Marshall, Benton, Coahoma, Quitman, Tunica, Tate, Panola, Lafayette, Tallahatchie, Carroll, Attala, Choctaw, Webster, Oktibbeha, Columbus, Grenada, Montgomery, <sup>Balilar</sup> Holmes, and Yazoo.

Also, it would be extremely helpful if we had a breakdown on the numbers of persons each firm expects to hire, the type of skills workers will need, the pay scale and whether or not a training program will be involved.

Thank you for any consideration you might give this request.

Yours truly,

Carl E. Farris
